Policy Statement Regarding Enhanced Honors Courses

Enhanced Honors courses allow Honors students to receive Honors credit for a course not typically offered by the Honors program.

1. An Honors student may enhance only **one** course for Honors credit during their course of study at the University.

2. The course to be enhanced must be listed in the schedule of courses for that semester.

3. All paperwork must be submitted by the last day of the ADD/DROP period.

4. After the ADD/DROP period a student will not be allowed to change the designation of the course, i.e., from Honors back to the regular course.
