<sup>1</sup> Recommend MTH 160 – Elementary Statistics.

<sup>2</sup> 27 of the 33 hrs of BHS courses will be transferred en bloc and applied to the Bachelor of Social Work degree requirements as electives. The en bloc only applies to the BSW – if the student changes majors, the en bloc will be removed from their transcript.

<sup>3</sup> No more than 70 hours can be transferred from a community college.

<sup>4</sup> The BSW does not require a minor – students who choose a minor or second major may be required to take additional credit hours to meet degree requirements.

<sup>5</sup> BIO 1xx – Introduction to Neuroscience is offered spring of odd years and is required for all social work majors beginning with the 2024-25 course catalogue.

<sup>6</sup> Degree plan includes at least 30 hours of upper division (3xx/4xx) coursework in residence at WWU (degree requirement).
