

HANDBOOK ACKNOWLEDGMENT FORM – EDUCATION DIVISION

The Teacher Education Handbook/Student Teaching Handbook contains information about the curriculum, policies and requirements of the William Woods University Teacher Education Unit and its teacher certification process. Policies of the university and of the Missouri Department of Elementary and Secondary Education (DESE) provide the basis for much of the handbook information thus, information is subject to change.

In order to ensure that all students are aware of the handbook information, the Education Department is requiring that all students sign and date this acknowledgement form.
