Kemper Kids Creativity Camp is more than just an art camp. Children learn through hands-on projects, play and collaboration. While using their imaginations, campers explore in settings designed to stimulate creative problem-solving skills. Help your child discover their own inner artist through a week immersed in art.

Camp staff consists of educators assisted by William Woods University students, specializing in visual arts and education.
Schedule for Kids Camp and Activities

Session I ☑ July 6–10

SELF-EXPRESSION

Campers will learn how the creation of art can help individuals explore self-expression, and through this means, develop new personal insights and skills. Techniques in drawing, and painting will be examined.

Session II ☑ July 13–17

MIXED MEDIA

Art Campers will experiment with a variety of techniques and materials, to create a series of mixed media artworks. The focus of this class is to allow for the deeper understanding of form, color and interpretation.
