## GRADUATE - As of Fall Census

<b>Academic Year</b>	<b>2021</b>
<b>Program</b>	<b>Health Administration(MHA )</b>

### Definitions

**Academic Year:** Current academic year

**Program:** Major or Minor

**Declared Majors:** Count of students declared in the program as either first, second, or third major broken down by New Incoming Freshman, Transfers, All Others (returning) and a Total. Undergraduate enrollment includes semester and online undergraduates.

*Unclassified/Non-Degree* - used for non-degree students, such as Life-Long Learners, MMACU, Missouri Military Academy, and Dual Enrollment.

*Undecided* - used for declared students who do not know what major they want to pursue. Must declare something else after 45 hours.

*Unknown/Not yet declared* - used for incoming students to populate field until officially declare a major.

**Declared Minors:** Count of students declared in the program as a minor.

**Concentrations:** Count of students declared in each concentration of the program.

**Graduated Majors:** The number of students who graduated with this program as their first, second, or third major in the previous academic year.

**Graduated Minors:** The number of students who graduated with this program as their first, second, or third minor in the previous academic year.

**Retention Rate (IPEDS Definition):** The University retention rate is a percentage of total new first time students whose entrance year was the fall term, 1 year prior to current academic year who returned the fall of the current academic year.

The Program retention rate is a percentage of total new first time students in the program whose entrance year was the fall term, 1 year prior to current academic year who returned the fall of the current academic year in this same program.

**Graduation Rate (New):** The University graduation rate is a percentage of total new students whose entrance year was the fall term, 3 years previous to current academic year who graduated.

The Program graduation rate is a percentage of total new students in the program whose entrance year was the fall term, 3 years previous to current academic year who graduated in this same program.

**Graduation Rate (Transfers):** The University graduation rate is a percentage of total transfer students whose entrance year was the fall term, 3 years previous to current academic year who graduated.

The Program graduation rate is a percentage of total transfer students in the program whose entrance year was the fall term, 3 years previous to current academic year who graduated in this same program.
