

William Woods University
Graduation Rate of Student Athletes

William Woods University is pleased to provide the following information regarding the graduation rate of student athletes pursuant to title 34 of the Code of Federal Regulations.

While reviewing this information, please bear in mind:

- Graduation rates are applicable to first-time, full-time, degree-seeking students.
- The graduation rate does not include students who left the school to serve in the armed forces, on official church missions, or in the foreign service of the federal government. Students who died or were totally and permanently disabled are also excluded.
- Graduation rates are based upon six years of enrollment, which equates to 150% of the time required to complete a bachelor's degree at our institution.
