Reflection on Demographic Data

Program goals for student retention, persistence and degree completion are? What do the persistence numbers mean to the faculty in the program? Are your persistence numbers what you expected? If not, how could the numbers be improved? What is the optimal enrollment for the program?

Since the development of the hybrid degree and due to the stringent guidelines for attaining an administrator certificate the program is beginning to take on more popularity among teachers.

External Accreditation

Does the program hold external accreditation?

Yes
No (selected)

If yes, state the name of the organization.

Along with the name of the organization, please note the date of approval, and the date of review.

Marketing Materials

Reflect on the current marketing materials used for the program. Please attach screenshots of the website or any material you are referencing in this section. What changes, if any, should be made to the material? Are there recommendations on how to modify the current material?

Assessment List

Analysis of the Assessment Process

Describe your assessment process; clearly articulate how the program is using coursework and or assessment day activities for program wide assessment. Note any changes that occurred to that process since the previous year. Discuss what activities were successful at assessment and which ones were not as helpful and why. Please include who met to discuss the changes (unless you are a program of one person) and when you met. – Include a discussion on the process for collection and analysis of program data.

The MED Cand I curriculum and assessments are consistent with recent years. The assessments are designed to reflect typical tasks in the field of curriculum and instruction.

Program Activities

Student Accomplishments

Highlight special examples of student successes in the field (research, conference presentation, award in the profession). This is for any accomplishment that a student achieved outside of coursework or the normal expectations of student success.

Faculty Accomplishments

Highlight special examples of faculty success in the profession/field/content area. This is for any accomplishment of a faculty activity/research/professional nature

Alumni Accomplishments

Highlight special examples of any successes of any alumni (acceptance to or graduation from a graduate/professional program, new job in the field) including your most recent graduates

Professional Development Opportunities

- Highlight professional development opportunities over the course of the academic year that were beneficial to program faculty and or instrumental to student learning. This could be local or external professional development.

Six Regional professional development sessions were held at five sites in the Fall of 2018. Adjunct professors were required to participate in the once annual training. PD topics included WWU program updates, WWU data review, certification and other DESE updates, field experience update, and VIA and Pwlnet training. Participant feedback was very strong, scoring the majority of sessions in the very beneficial category,

Professional Development
